

**Subject: Looking Ahead**

**07/21/2025**

**Dear Prospective CCE Families,**

**I hope this message finds you well. In a short amount of time, Cornerstone Collaborative Education (CCE) has been able to secure their 5013c (non-profit) status, created a Board of amazing, Christ-centered men and women, and a staff of driven, diligent, and determined people. It's with heavy hearts that we share the difficult decision to delay the opening of CCE until the 2026-2027 school year. This has not been an easy choice, and we want to begin by offering our sincere apologies to everyone who may feel disappointed or impacted.**

**We have explored every property and even reached out to numerous local churches in an effort to have space; we are out of possibilities at this time. Unfortunately, we have not been able to secure a location to fit our needs.**

**We are deeply grateful for your support, involvement, and belief in this journey. Your encouragement has meant the world, and it's been a privilege to share this experience with each of you. Please know that this is not the end, but rather a step forward. Over this next year, we will continue to raise funds to locate, if not purchase a property that will allow us to offer the exceptional educational experience we are creating.**

**While this is not where we wanted to be, we truly believe that the connections we've made and the growth we've shared will carry us forward. We hope you continue to pursue your options, and will consider being a part of CCE's fundraising and family. We will be updating our progress and opportunities regularly on the CCE Facebook page and website.**

**We will continue to lift one another up, and embrace the possibilities ahead with open hearts. Thank you for your understanding, your kindness, and your continued encouragement. We'll be cheering for each of you, and are hopeful that the new doors will open for us all in time.**

**With warmth and gratitude,**

**Cornerstone Collaborative Education**
